BETTER THAN GOLD!

BETTER THAN GOLD!

PORTSMOUTH, July 9, 1851.

Ma. J. E. BOUSH—Dear Sir: I feel it a duty to-make known the benefit I have derived from Dr. Hampton's VEGETABLE TINCTURE. For a number of years I suffered from disease, but to a greater degree for the last three years. One of the forms of my disease was dyspepsia. From this dreadful malady I suffered to such an extent that life was really a burden. The attack of it on me was different to that on any other person of whom I have heard; at times it was like the pulpitation of the heart; there was a constant thumping and beating without intermission about the region of my heart, chest, and stemach; some of the attacks would last for weeks; my stomach was much distended, with constant pain, great weakness, and constituation of the bowels. I could not eat the most simple food without pain. I also suffered greatly from disease of the kidneys, with constant pain in the back, that I could walk only with great difficulty. I tried nearly sill of the most celebrated patent medicines of the day, but found no relief. I had also the best medical attendance. One of my physicians frankly told me it was of no use for me to be paying him for advice, as he could do me no good. I gave up almost in despair, and thought my disease certainly incurable.

I now feel myself a new man, and in better health than for years. I am certain the cure in my case was made by this Hampton's Vegetable Tincture alone. Since my cure I have recommended the tincture to a number of my friends, who have also been relieved by it. Some of the cures have been as rapid and equally wonderful as mine.

I present my respects to Messrs. Mortimer & Mowbray, the proprietors of this valuable medicine, and say to them its value is above price; and from my cure, and what I have seen of its effects on others, I shall ever feel it my duty to recommend it to the suffering. I have no doubt many valuable lives will be prolonged by its use. I hope the afflicted will cast aside their projudices and give it a trial. Yours most respectfully, (Signed)

Mr. Robert Sears—Dear Sir: I have looked over the cotice series of your valuable publications with much interest and profit; and am quite surprised at the amount of literary labor you have performed, and the research it must have cost you to obtain so many fine illustrations, while you have an active superintendence of an extensive business. I am also gratified at the decidedly moral and religious influence which your books will exert, and cannot but hope that they will do much to counteract the effects of that light and immoral literature which deluges the land, and, like the frogs of Egypt, comes up even to the kneading troughs of our kitchens. NEW YORK, October 20. Markets steady. The post office at Hudson was robbed of letters on Saturday. A reward of one hundred dollars has been offered for the arrest of the burglars.

BALTIMORE, October 20. No sales of flour. Quotations unchanged. The Italian Opera Troupe remains one week longer. Its success is unprecedented.

AUBURN, Oct. 19 .- The evidence on the part of the Government against the Syracuse slave rescuers was closed yesterday. The prisoners offered no defence, and the judges intimated that they would deliver their decision to-morrow morning. Little doubt is entertained but that they will be held to bail for trial. More arrests are expected to be made as soon as the decision in these cases is known.
